EPICENTER

A web-based tool for organizations. Making a difference for kids.

Software for schools, boards, authorizers, service providers, & associations

From processing charter applications and managing compliance to automating workflow and evaluating performance, Epicenter has everything you need to get results.

Work Seamlessly with Other Organizations
Epicenter connects schools, boards, authorizers, and sevice providers. This shared platform creates alignment, clear roles, and access to information.

Manage Compliance Tasks
Automatically share calendars, task lists and descriptions, and status reports to improve coordination and keep your team in sync.

Stay Up-to-Date on What Comes Next
Epicenter sends automatic email alerts, reminders and updates about tasks to the people responsible.

Document, Report, Relax
End the paper chase. Keep your documents and reporting requirements up-to-date, organized, and easily accessible.

Make Organizing Board Meetings a Breeze
Make board packets easy to assemble and distribute, and easy for board members to access and review.

Easily Publish Information on Your Website
Make required disclosures simple by letting Epicenter automatically post them on your organization's website.
