Group Background

What are your goals and expectations for your experience?

If you are allowing your students to bring phones, what is your phone usage policy (ie, for taking pictures only, for free time entertainment, etc.)? *Please note some areas of campus are designated "no phone zones".*

Do you anticipate students needing to borrow warm clothing (boots, jackets, gloves, etc.) for this trip? We have a selection of winter gear for student use. A teacher will be responsible for returning gear or a fee will be assessed.

How have your students and adult leaders been prepared for this trip?

Please tell us more about your student population (ie, ESL, LGBT, cultural or religion, homelessness, trauma, etc.):
